

Jesse Grey Alton

October 5, 1984 - September 7, 2023

Our beautiful and charismatic Jesse Grey Alton, 38, passed away on Thursday, September 7th, 2023. She is survived by her son Jameson and will be dearly missed by her parents Sandra and Joe Alton. Jesse will always be remembered for what she loved most: her family, friends, and the art of dance. She graduated from Stony Point High School in Round Rock, Texas, and went on to study dance at Texas State University. She was surrounded by people who adored and wanted the best for her and was a flash of energy and exuberance for everyone she met.

We loved Jesse deeply and truly, but this was not enough to shield her from the disease of addiction. Despite this, our memories of Jesse will remain true to who she was. There was never a moment where she was not laughing and smiling her red-lipstick smile. She was a wonderful sister, mother, daughter, aunt, and friend. We take comfort knowing that Jesse is safe now with her beloved brother Mathew. Words do not do Jesse's beauty, kindness, and strength justice. We will miss her, always.

On October 5, 2023.
