

Jo Bracelin Gregg

November 1, 1955 - June 13, 2016

Jo Bracelin Gregg was born November 1, 1955 in Soaplake, WA. She passed from this earth on June 13, 2016 at her son's home in Hutto, TX.

Jo was a beautiful soul with a fiery spirit. She loved her family and friends and would do anything for them. You didn't have to wonder what she thought or if she was upset with you. She would often say "what you need to do is....". Jo loved her dogs and they loved her. She was a kind and giving person who didn't care about material worth. She loved cooking & growing plants. She took pleasure in cooking good things, especially deserts. If she cooked something that tasted heavenly but didn't 'look right' she would quickly dump it in the trash and start over.

She enjoyed fishing and being outdoors and watching wildlife. She also enjoyed making jewelry and giving it away. She loved garage sales, second hand stores, flea markets, and really loved finding a special item for a good price!

Her Granddaughters were the light in her eyes and she loved them dearly. She will be greatly missed by anyone whose life she touched and heaven is even better with her there!

She is preceded in death by her mother Elva Stockton Bracelin, one brother Roland Harrison, and one nephew, Scott Carter.

She is survived by one son Michael Randall and wife Lupe; one brother Lester Carter; one sister, Garrilyn Reed-Rainwater; two granddaughters, Micah Jo and Matison Louisa Randall; three nephews, Ivan Havins III and wife Sherry; Rusty Carter, Robert Reed and wife Kelsie; two great nieces Navi & Skyler Havins; and one great nephew Ronon.

Tribute Wall

“ Jo was my mother in law. She was a wonderful women with a spitfire attitude. She loved deeply, and I loved her! She was “granny” to my two daughters and they loved her so much. We find ourselves still talking about her and wondering if she’d like this or hate that. I miss her every day. I still talk to her from time to time, hoping that she can hear me. I miss you Jo....always. ❤️
