“ *To the daughters of Sonny, I am very sorry for your lost ~ he was a very on of a kind, the one you will always remember. I know he is with your granny Nadine and papa Otis, looking down on all of you and saying don't worry about me now. Rita.*

“ *We are going to miss you Sonny. You was a special person. Most of my memories are from when we were young. We would go to Nixon to visit them and Grandpa Alston. Loved the watermelons. I just wished that you and Muriel could have gotten together before she passed away since y'all were so close when you two were young. But y'all are together now. See you later.*
