“ *I am only now seeing that my dear friend Quincy has passed so tragically. I have such fond memories of the two of us sharing stories over beers after work at Stanley Consultants. As the years passed, we became close friends. One thing I know for sure, he loved his daughters fiercely. Quincy and I danced at my wedding - a memory I'll cherish forever.*

I am deeply saddened today, and I'll continue to hold space for his beautiful family as they navigate this life without him. I'll miss you, my Quincy, and I'll love you forever.

*I'm so sad to learn of Quincy's passing. We grew up together for a short time when his family lived in Irving, Texas at South Delaware Church of Christ.
I have many fond memories at church, get togethers and mission trips. Our special group of friends always had so much fun together.
Rest In Peace my friend! 💕💕*

“ The PAE Team was saddened to learn that their former employee, colleague, and friend, Quincy Love, has passed on. He was well-liked and respected, and always had a smile and laugh for all. Before his untimely death, Quincy happily shared that he was looking forward to spending his retirement enjoying his boat and journeys on the seas. Our heartfelt sympathies go out to his family - Quincy will be missed.
