

Johnny Martinez

February 19, 1968 - February 21, 2023

From the minute we were born to the moment we take our last breath, there is that little time in between it all that we call life. Though change is the only thing constant in this world, the concept of losing someone forever is something that's difficult to grasp. For the most part, you're forced to face reality for what it is.

Our Family sadly lost a pillar on Monday, February 21, 2023, when Mr. Johnny Martinez, favorably known by many as PEE WEE, passed away. His contributions not only our family but to the many people in and around our community, family and friends will greatly be missed.

Jonny is survived by his loving wife Deanna Martinez of 24 years, and three sons; Luis Martinez, Johnny Martinez Jr, and Christopher Anthony Burciaga, along with their wives Adriana Rodriguez and Michelle Gonzalez and their children Elijah Rodriguez, Yulisa Martinez Evanie Burciaga, Felicity Burciaga, Levi Burciaga and Rose Burciaga, and countless other family and friends. He was preceded in death by his parents, Mr. and Mrs. Luis and Mary Martinez.

His legacy will live on in the hearts and minds of everyone he interacted with as well as those he has touched but never met. Share your stories of remembrance on Saturday, March 25, 2023, at 2006 North WS Young Dr Killeen Tx 76543 from 2 – 5p.m. You can help continue his kindness, loyalty, love and compassion by never forgetting that tomorrow is not promised and

by not missing the opportunity to share those moments with the people you love. He never did!

“ *So sad to hear of Pee Wee's passing. Much too early and too sudden. He was a great builder, and an honorable hard worker and helped us out greatly on a few projects. He will be missed by the entire community, but he will live on in all the projects he undertook. His passing reminds us all to always treat people with kindness and respect the way that he did.
Respectfully, Pam and Ray*

SA

“ Johnny, I’m sad and heartbroken 💔, and just want to be awakened from this dream 😞 I ask over and over why? 😞 I still can’t believe you’re gone. You were always there for all the family. You opened your home to many family members to help them get their lives together. I will miss our phone call conversations. Our last phone call was on your 55th birthday. We shared a lot of laughter. I sang to you *You’re Still A Young Man*. (not the best vocals) nonetheless, you got a good chuckle. I’ll remember, your voice and your laughter and our last words spoken to each other. “I love you”. Johnny, you have been a blessing in my life I’ll always cherish our memories together. You’ve given me some of the happiest memories, our childhood growing up in Biola, our phone calls, and all your visits back home. I will miss you a lot and remember you for as long as I live someday we shall meet again ☺️. I can see mom and dad with open arms greeting you in heaven. 🙏🌹❤️🕊️ And all the rest of the family saying “ Hey look who’s here, it’s Johnny!”

“*Pee Wee dd work on my home for over 22 years. He was trust worthy, honest and always did his best. Men like him are hard to find. Maria and I were stunned to learn of his death. May God grant him eternal rest and may his family find peace in knowing how many people found in Johnny a man whose word was better than gold. Requiesce In Pace*
