

## Jonathan Samuel Moreno

December 8, 1990 - April 18, 2014

We've loved you since the day you were conceived. Your mom wanted to surprise me with your arrival but she was the surprised one because I knew you were on the way; God told me. Your gestation time was perfect: 9 months (March 8 – December 8, 1990). You were a unique child, with remarkable qualities: your destiny was to help others by sacrificing your dreams. Your love for your family was intense. You left a big testament of your love to us by giving your kidney to your brother Arturo, and still now you have donated your organs so that others may live better.

Brave and strong, loving and kind, responsible, supportive, loyal, honest, and capable. Son: we miss you very much, but we also know that God prepared you for your meeting with our Lord Jesus Christ. Not earlier, not later; God's timing is perfect. We give thanks to God for allowing us to enjoy these 23 years with you. You left us on Good Friday, a date that symbolizes sacrifice. Coincidence? We do not think so.

It is the testimony of God that we knew that you sacrificed your dreams to help others and your family. You were born to help and be a friend to many. Thank you very much son for your love. Thank you very much God for Jonathan Samuel. Son, we will meet again in the heavens later on, in God's time. We will have such bliss together! We will enjoy the eternal and perfect glory of the Father, the Son, and the Holy Spirit.

Your parents,  
Arturo and Laida

Your grandparents,
