“ *I just want to send my condolences to the family, Jose Juan Paz, or BigJoe as we called him was always a gentle giant, always there to help a friend, and always dedicated and faithful to his friends... Big Joe Paz will be missed by everyone; however, the wonderful thing, the part that gives us the most peace is that the last time we spoke, Joe said that he was good with God, that he accepted Jesus as his Lord and Savior, and that he was secure in his Salvation, and that is the best part, because of this we know that we will see him, Big Joe Paz, again...*
