

Joshua Gilbert Lozano Mares

April 30, 1986 - July 14, 2022

Joshua Gilbert Lozano Mares of Killeen, TX passed away on 14 July 2022 from a tragic accident outside of San Marcos, TX. He was 36yrs old. He was proceeded in death by his grandparents Herb and Evie Schenk, and his father Larry R Mares. He is survived by his two sons David J and Caleb J Mares and their mother Danielle Strakos. His mother Kathi Schenk, his brothers Morgan B Mares, Andrew J Mares, and Joey Lozano. He is also survived by his grandparents Ernie & Rose Mares and Janice Paige. Along with many Aunts, Uncles, nieces, nephews and cousins.

He attended Ellison High School in Killeen, TX and went on to attend CTC in Killeen, TX and received an associate's degree. From there he attended Texas A&M and received his Bachelor of Business Administration and then continuing his education even further he attended Full Sail University and received his MBA in Digital Marketing in December of 2021.

Growing up he loved sports and was a gifted athlete. He loved playing baseball and his teammates called him 'Babe Ruth'. He was quit the slugger, and was a little chunky and always had a 'Babe Ruth' candy bar in his back pocket. He also loved soccer and he was able to join a traveling soccer team and we had many adventures going to his soccer games in different towns in Texas. I imagine his biggest highlight was traveling to El Paso to play against a team from Mexico! They played a better team but what an experience!

Josh was a hard worker and would be working two or three jobs at a time. He had a big heart and would give you the shirt off of his back. He was a very religious young man and would read his bible almost daily. He loved his boys so much and would always be bragging about them. He was so proud of them and their accomplishments.

He died too young with such a promising career that he was trying to develop.

Cremation has taken place and a celebration of Life will be in August, 2022

To the father of my son's, thank you. Without them my life would have no meaning. Fly high go touch those stars, find your peace and know they love you. Too many years shared, too little time. Watch over them and see how proud they will make you.

“ *Where to begin... I first had the pleasure of meeting Josh when me and my boys lived at Cypress Hill apartments. From there he would pop in and out of our lives at Blunn Creek apartments and at my duplex on Meteor. Knowing that he was Joey's older brother he quickly became my Son from another Mother Stephanie Parent. After her death he was living with me from time to time and became close with my youngest son Robert who he LOVED more than words bcuz of his closeness in age to his own son's. Many a nights and times we had real deep conversations about life and religion. Josh also helped out my parents and brother on numerous occasions. He had a heart of gold, platinum and any of the rarest elements in this world. He was at my house the night before he left this world and I only wish that I was able to speak with him one last time....*

At Clearday apartments he once left my oven on overnight due to his being a little high and I gripped him out the next morning bcuz of it and told him the oven was off limits to him FOREVER!! LOL!! He was a great cook and had a mind from literally another planet!!! Talented BEYOND this Universe and will be forever LOVED and Missed for eternity and beyond!!! Fly high with your Angel's Joshua Gilbert Lozano Mares!!!
