“ *Kitty was a lovely and unique woman. She loved her family and friends, often sharing about her brothers and others. She loved all her four-legged babies fiercely, too. We were friends for a long time here in the hill country. I miss her.*

“ *My sincere condolences. I loved Kitty and hated it when she moved from Kerrville. She said she remembered me from Spring Branch Jr. High. Long way back. I'm sure she's gone to heaven, she was that kind. I loved her and will always.*
