“ I will always remember Lanae as that carefree, spunky, smart and happy-go-lucky woman who always spoke with passion and confidence when we talked about her future. She was funny and had a great sense of humor. She had a laugh that filled any room. Lanae was a beautiful soul who left this world unexpectedly and way too early...and I will miss her dearly. I feel honored to have been in her life for 21 years. Rest in peace. Love you always...

“ There are far too many memories for me to pick one. The main thing is, Lanea (aunt Naenae) was my rock in the worst of times and in the best of times. The world went even darker when she made her exit. God searches our hearts and her heart was pure gold baby!
