“ *Mrs. Richardson will surely be missed. From the short time I have known her, she was very kind and full of spirit. My thoughts and prayers to the family, may God keep each and everyone in his tender care through this very difficult time. Much love and prayers, Ms. Shipman*

“ *Lois is one of the kindest women I've ever met. She always asked me how I was doing with genuine concern. She truly cared about people's well-being. She taught all three of my children and I thought it was funny when she thanked me for having well-behaved kids while I'm the one thanking her for her dedication and devotion. My children loved her. Her Dollars and Sense class piqued my son's interest in finance and he always shared with me what he had learned. He enjoyed it so much that she recognized him for an award. Her cheerful disposition was contagious and I will truly miss seeing her daily. My most heartfelt condolences to you and your family.*
