Lynette "Lyn" Ann Detjens, 67, was called to her heavenly home on January 28, 2020; five months after surviving a major cardiac event and successfully completing her cardiac rehab. Her love and devotion to her family and friends and her strong relationship with God supported her in challenging times and brought her great peace.

She will forever be remembered for her devotion and service to the Lord, resilience, sense of humor and infectious laugh. Lyn truly was a beautiful gift from God, both inside and out.

Lyn is greatly missed by her family, friends, and all who knew her. We celebrate that she is at peace with her Heavenly Father; free from earthly struggles and blissfully, perfectly happy. We know we will be reunited again one day.

“ I met Lyn when she was a brand new Christian. We were instantly drawn to each other by the Holy Spirit! We shared many joyful and difficult times together with the Lord always with us directing our ways! Lyn and Claude were both part of the Christian drama team at church and were both excellent at getting the message of Christ to others through their ministry. Lyn always had a strong faith in God that He would always supply all her need! And He did in miraculous ways!  
I remember Lyn and Claude falling in love and their young romance! It was a joy to watch their love grow and then to see them united in marriage! Lyn was a very important and precious part of my life! I praise God for her and our relationship. I rejoyce knowing that she is forever with her Savior and that we will be reunited soon! Bless you Claude and Donna with His comfort and grace! Love you both!
