“ *Heavenly Father,*

I come to You with a heavy heart, lifting up Gustavo and his family during this time of deep sorrow and loss. Lord, You see their pain, their tears, and the emptiness they are feeling right now. I ask that You wrap them in Your loving arms and give them the comfort that only You can provide. Please bring peace to Gustavo's heart and strength to his family in the days ahead. Remind them that they are not alone, and that even in their grief, Your presence is near. Give them rest when their hearts are tired, courage when the days feel too hard, and hope that carries them through the sadness. Lord, I pray for Your mercy and love to surround their family, and for the precious memories of his mother to remain alive in their hearts forever. Let those memories bring warmth, comfort, and reminders of the love she gave so freely. May Your grace carry Gustavo and his loved ones through this difficult season, and may they find healing little by little each day.

In Jesus' name,

Amen.
