Mrs. Marie Smith, Stidham graduated to guardian angel on April 12 in Rockdale, TX at the age of 88.

Granny, as she was known to most, is survived by her granddaughter Tanya and husband Darrell Mynar of Rockdale, great grandsons: Derrick Mynar and wife Shelby of Celina; Dakota Mynar and wife Eilie of Whitman, Arizona, Mason Bailey and wife Samantha of Madisonville, great great grandchildren Beckett Mynar, Hazyl Mynar, and Jaxon Bailey, and special friend Norma Dawson. She is preceded in death by her husband Bennie Smith, parents George and Gertrude Stidham, siblings Herbert Stidham, Hazel Davies, Jim Stidham, and Kathy Jones, a daughter Denise Brock, and a grandson Gary Bailey.

Marie was born on December 19, 1936 in Cullman, Alabama to George and Gertrude Stidham. She worked in accounting, cosmetology, and was also a housewife. She was a dedicated great grandmother who loved watching her great grandchildren's activities and sports. She loved dogs and treated them like family. The last two years she suffered from Alzheimer's disease.

A private celebration of life is scheduled in June in Cullman, Alabama. In lieu of flowers, please send donations to your local dog shelter or visit your local nursing home in memory of her.

The family would like to thank the dedicated staff at Rockdale Estates for their compassionate care of Granny. She will be missed by many, but we know she is watching over us, and we will see her again!
