“ *One of my fondest memories are of she and my brother Al visiting my house at the family reunions I had. Both laughing and sharing stories and enjoying just being with family. Rest in piece.*

PS

“ My sister was the "rock" of the family! She helped my so much over the years with financial advice and encouragement. How could I not remember the trips to Northland shopping center with our mom and laughing ours heads off so many times. Toward the last few years she spent many hours talking to my late husband and comparing past relationships on her trips to visit us in Fort Myers They were a chatty couple. She now belongs to a club in heaven that I myself will join someday GOD bless her!!!!
