“ So sorry to hear of Marty’s passing. I was one of his supervisors at Newark Airport and always enjoyed my conversations with him. He was a fine officer who took his job seriously, and was as energetic and reliable as an officer a third of his age. Rest in peace, sir.

“ I came upon Marty's obituary and I'm so sorry to learn he passed away. I am happy to know he was surrounded by his family. I know you have many happy memories of the years you spent with him. I know I have fond memories of all the things Sam and I did with your family. I'm glad he got to know his grandchildren who I'm sure brought him so much joy. Please accept my sincere condolences. May he rest in peace.
