“ *Mike over the years there have been a lot of memories, fights, arguments, laughs, and a lot of fun. I remember the guy in the summer of 1979 in Germany running around with the big boombox and hitting the German bars for beer and apple core whiskey. We had a lot of fun that summer. Also cannot forget the time in Jersey as well. Then all of the video calls over the years. Sorry to see you go and I know we will meet on the other end someday. Wishing you peace on your new journey. Here are a couple of pictures and memories.*
