Michael was preceded in death by his parents Tony Perez Verver and Mary Helen Verver.

His favorite things to do was to go fishing, to go to Home Depot and Taco Cabana. Anytime you called him he would either say he was fishing or at Home Depot. He loved to go fishing with his children / family. He would spend all day everyday if he could fishing and just hanging out with the family, and after we got done with fishing he would say let's go eat at Taco Cabana for Happy hour, he sure loved his margaritas. We will all miss our fishing trips with him. He will forever be missed.
