

Nancy Laura Taro

October 28, 1960 - January 25, 2015

Our Mother is such an exuberant force. We all know that. Her very existence is proof that love not only exists, but thrives and runs free, wild. She is the epitome of freedom. As a Mother, Friend, and Saint She nourishes and cherishes our lives. She teaches us to let go of pain, and only smile because within all of life there is only beauty, love, and God. She lives her life with nothing but love. Her soul as selfless as they come, and so full of light. With a heart so genuine, she saw the good in everything, and everyone. She never put herself before others, and did whatever she needed to make her children smile. She is truly loved more than she could ever let herself believe, and always will be. She will forever remain in the hearts of those who love her. It is said that only the most beautiful of flowers are picked from the garden, and on January 25th at 0100 as an adventurer, lover, and freelance opportunist, she flew to the sight of her new found wings. She is survived by all, remembered by everyone, and is now home watching over us. May her legacy, her love continue to reign mighty like the swift force of an angel's sword in the hearts of us all. This is not goodbye. This is Hello, and Welcome Home.
