“ *My condolences to the family. I just found out today. I loved her as my co-worker at Fort Lee, VA. We worked together for several years. I remember the love she had for at that time Little Hilary and Scott. She talked about them weekly and you could see the love in her eyes. RIH Pat. Laverne Crump-McGary*

“ *Don, Hiliary, Scott, grandchildren, your wife, mother, grandmother will be missed by everyone that knew her and loved her. She was always ready to listen to you and give you her thoughts on what you were saying. There are absolutely no words to give to you, except to say that she is no longer suffering, she loved each of you for who you were, and her and Don always made everyone feel welcomed. Prayers continue for the family and just remember she is having that glass of wine with her dad and with her dear friend Don Parr. Love to each of you and always know what a wonderful wife, mother, and mimi was and keep those memories close to your heart. Mary Ann and Jackie*

“ Pat was my mom, she was always there when any of us needed her. She is and was the greatest mother a son could ask for, she never hung up the phone without saying I love you. I'm going to miss our short talks every day. You're home now and cancer free, you're with your daddy again and that is what helps me the most. My memories will forever be cherished and until we see each other again, give papaw a hug from me, I love you mom!! I miss you terribly!!
