

Patrick W. Sullivan

February 19, 1936 - November 28, 2021

Patrick William Sullivan was born on February 19, 1936, the oldest of 5 sons of James and Susan Sullivan. He grew up in Beaver Falls, Pennsylvania, and after graduation from Beaver Falls High School, Class of 1954, he moved across the country with his family to Abilene, Texas. Patrick felt a bit like a fish out of water in Abilene, so he joined the Navy. After his honorable discharge from the Navy, he attended the University of Texas at Austin. Later, Patrick was hired by Lockheed Martin and moved to Fort Worth.

He eventually moved back to Austin and was hired by Applied Research Labs at the University of Texas at Austin, where he worked until retirement. Patrick loved roller-skating, fishing, dancing, and dabbling in the stock market. Patrick was a big Dallas Cowboys fan and tried to never miss a game.

Patrick passed away peacefully in his sleep on Sunday, November 28, 2021, in his favorite recliner.

He was pre-deceased by his parents, his four younger brothers (Donald, Leo, Paul, and Kerry) and his stepson Randall Meredith. He is survived by his second wife, Judith Sullivan, his daughter, Michelle Blake, stepdaughters (Laura Stone, Ruth Anne Collins, Alice Harris, and Charlotte Reese), and stepsons (Richard Meredith and Rogers Meredith). He leaves behind several grandchildren and great-grandchildren.

We will miss his quiet demeanor, kindness, and loyalty to family.
