“ Memories of my nephew Paul Gamache. I love you and I will see you again. He is with his mom, grandmother, grandfather, and cousins. I had Paul, at age three, visit with my family one summer and we had good times. We would eat ice cream at night after everyone went to sleep. Paul was over often on holidays to visit as he got older. Paul lived with us for a while and would bring his sons over on weekends. We would go play bingo at dance town. I have good memories of Paul. I feel he is still with me.
