“ *Pete was one of my bosses way back 35 years ago almost, I really liked his wisdom and enjoy the way he treated me we had great fun but also we got down to business and made the customers happy. Importantly he was one of the few bosses I ever had to believe in me as a young kid, Pete my memory of you will always be the bottle of wild turkey.*

“ I miss you so much already! I remember the day you came into our lives, and our lives were better for it. Through you Mom & I inherited an amazing family that has meant so much to the both of us. I know you are up there having happy hour with MJ, Gus, Aunt Marge and Aunt Pat, and although I miss you now more than ever, I am happy to know you are at peace and no longer suffering. Love you Dad. Now and forever.

“Pete was such a good man. I still find things around our house that “someone” mysteriously fixed. I’ll never forget the first time I met the family in Syracuse and was asked to help Pete shovel snow. I was ill prepared with a light coat so he let me borrow one of his. I can only imagine how ridiculous I must have looked, easily two sizes bigger than the jacket. I suspect he is still laughing!

“Pete had a lot of character, like doing the right thing when nobody was looking ! I worked with him almost thirty years, if there was a job nobody wanted to do, he would do it ! Years ago I dropped a 20 dollar bill in the shop figured I would never see that again, ten minutes later Pete asked if anybody lost some money, Yes my lucky day, good ol Pete. It made me think how many people would think its my lucky day, not Pete. Something so small stuck with me. Now, what was I saying about character. Thank-you, JD
