“ *Lynn was my friend. I just learned that he is gone and it made me sad. Lost touch some years ago cuz we were both out of our minds. I like that the obituary said he was a member of a church. I do pray that he came to know our Lord and Savior Jesus Christ, as have I, and that we meet again someday. Never saw his drywall work but I hope he charged a lot for it.*

Saul Baez, I'm his niece, he was pretty important to me... this is the most disrespectful and distasteful thing a person could say... I think I know why he probably did you a disservice... you seem like a despicable human.
