

Rebecca Lynn Hyde

December 12, 1963 - August 6, 2025

Rebecca Lynn Hyde, 61, of Austin, Texas, passed away peacefully at her home the morning of August 6, 2025.

Born on December 12, 1963, in Warren, Ohio, Becky brought joy, laughter, and unforgettable memories to everyone lucky enough to know her. She was the life of the party—fun-loving, generous to a fault, and always ready to dance to live music, one of her great passions. Whether she was front row at a concert, cycling her way through charity century rides, exploring a new part of the world, getting yet another tattoo, or simply spending time with her family and her friends who became family, Becky lived with vibrant energy and an open heart.

She started her job at Dell over 30 years ago, where her dedication and spirit left a lasting mark. She made friends there that have lasted a lifetime. Beyond work, she was actively involved with the Leukemia and Lymphoma Society, Susan G. Komen and Girl Start, always eager to support causes that uplifted others.

Becky is survived by her daughter Katie Shaw and son-in-law Tyler Shaw; her beloved granddaughters Teagan and Janie Shaw; her mother Nora Hyde; sisters Janice Winebrenner and Joyce Garis; and brothers Ron and Ray Hyde. She will be missed deeply and remembered with love.

A celebration of life will be held in her honor, with details to be shared soon.

The family asks that you please don't send flowers and instead feel free to make a charitable donation to one of the organizations Becky was passionate about or provide a meal to the family through their meal train.
