“ *Sending my thoughts and prayers for the family. He was a good friend and a High School Classmate. I am so sorry to hear this news. I just got it today. He is missed!*

“ Dear Dad,

*A wound that will never heal.*

*Pain that is all too real.*

*I ask myself Why?*

*Why does God need another Angel that can fly?*

*I see only darkness inside this hole.*

*The damage that is left within my soul.*

*The voidness you have left behind.*

*Has felt so unkind.*

*The world will never be the same.*

*With no one here left to blame.*

*The suffering that we all will endure.*

*Will just as soon find out (there is no cure).*

*Goodbyes and farewells are all that's left for me.*

*But, for you will live in God's love for all eternity.*

*This all seems to be such a big mess.*

*But I believe that this is the ultimate test.*

*I love and miss you.*
