“ I am so sorry to hear of the passing of Ricky. Ricky and I were best friends through high school and he was a great guy and great person.

I remember great times riding around in Spot that was the name of his car which was Tony's (his older brother) that had previously and totaled in an accident but still ran. One time we drove Spot to Texas Stadium to watch the state football playoff game and when we were leaving Spot would not start, we tried everything we could with our limited car knowledge, so we removed the license plates and just hitchhiked home. We got a ride in a pickup and had to sit in the truck bed (it was like 20 degrees), we just left Spot in the parking lot of Texas Stadium. Ricky and I laughed and laughed about that later in life. I have many great stories with Ricky. He was a great friend. I will miss you, Ricky! Rest in Peace!

Sincerely,

Steve Douglas
