“ *The Kibbie family and Bob have a special place in my heart. As a preacher, I have never been made to feel more welcome and part of the family than you did while I was at Buda/Kyle. Clara and I love each of you and are very sorry for your loss. The love you had for your father, and husband Hope, was very evident in so many ways.*

Thank you for the kind words Larry, That's who daddy was, that's how mom and daddy raised us. We never met "friends" who we didn't think of as family. Our dinner table spilled over into an empty seat throughout the house. Daddy loved listening to your sermons, the visits and the friendship with you and Clara. We can't begin to imagine life without daddy sitting in his chair, the 2nd half of our foundation gone. He talked to God and even asking for his bible right before he passed away. I pray God gives his soul peace and comfort.

Love, Rita

Betty,

He played on a couple of teams. He was proud to be the only old gringo on the team. He respected all his teammates, they respected him. A man I will miss all the days of my life.
