

## Robert H. Evans

January 23, 1945 - January 17, 2019

It is with great sorrow that we announce our beloved father, Robert H. Evans, took his last breath the evening of January 17, 2019 in Austin, Texas. He was our rock, our source of strength, our hero.

Per Bob's wishes, there will not be a funeral. Instead, we ask that you celebrate his life by sharing favorite memories, stories and photos.

Bob also elected to bequeath his class ring to the West Point Memorial Class Ring Program. The gold will be melted down and incorporated into the class rings of future graduates, allowing a tangible and symbolic link within the long gray line. Our family will make the trek to West Point to honor him by personally delivering his ring to the Academy this summer, most likely in July. We welcome all to join us. Please let us know if you would like to be included in communications about this trip.
