

Robert James Lansingh

August 26, 1941 - March 4, 2020

On March 4, 2020 Robert James Lansingh – a loving husband, father, and grandfather – passed away at the age of 78. Robert or Bob as he liked to be called, was born on August 26, 1941 in Los Angeles, California. He graduated from Parsons College with a degree in Political Science but went back to school to become an accountant.

Bob was always there for others, for his family, friends, and church. He faithfully served in the scouting program for many years. Family history, genealogy, and temple work were his passions. He kept his mind sharp by doing sudoku, cross sums, and other math puzzles. He had an amazing memory with the ability to remember facts about many topics. He enjoyed visiting national parks and going on camping trips and cruises. He often would collect lighthouses wherever he went.

Bob's "punny" sense of humor was subtle but contagious. Never wanting anyone to feel alone, he often took in others under his care and almost everyone called him Grandpa.

Survived by his Wife, Barbara; 3 daughters: Anne, Elizabeth, and Cathy; 3 brothers: John, Paul, and Van; 12 grandchildren: Jessica, Alex, Bryce, Michael, James, Megan, Sarah, Steffen, Jared, Joseph, Spencer, and Jordan; and 1 great-grandchild Wolfram. He will be missed by all that knew him.
