“ *Sal Sifuentes was a great man, friend, co-worker and a person with great personality, it was an honor to meet and hire Sal to work here at Texas School for the Deaf, were he was always looking out for the safety and security off all students, staff and visitors within our school. Sal Sifuentes was an excellent employee with excellent personality and a straight communicator. Sal also hired and trained my grandson and help him to learn the skills to become a security officer. It was an honor and a great pleasure to have work with Sal and some of his family members like Barney, Rola and my compadres Billy and Elena.*

Good bless Sal and all of the Sifuentes family.

“ my deepest condolences to the entire family. I knew Sal from working at the Tx School for the Deaf. He also hired two of my children to work for him. He will be remembered as a dear friend with a big smile and a kind heart. Sal gave his all when working. He was a consummate professional always willing to go above and beyond what was expected from him. We shared many military stories and enjoyed his company. He is missed dearly and I pray that eternal rest may be granted to him. Thanks Sal for being a great friend to all.

“ Sal was one of a kind with a heart of gold. Living in Texas with no family and husband that traveled for a living i always knew if I needed help Sal would be there. He was the first Texican we meet when he moved in across the street. It was big fun on Jumpers Delight Lane with Sal. 4th of July celebrations, tamale making parties, Ice Bats Hockey, Big Mike carrying Megan into the games so we could get her in free, watching the Lakers and the Packers play the 49ers (Go Pack Go), We always knew how the season was going according to how early Sal put all his Niners gear in the back of his closet.

Get the Lead Out!
