

## Sandra Trevino

October 2, 1962 - December 18, 2013

The memory of your smile and laughter will stay with us. Your travels to Europe as a child with your family will be treasured and never forgotten. You were blessed with many friends and never met a stranger. Some may say you were “daddy’s girl” but you were also close to your mother. You are now with the Lord and your parents Magdalena and Cruz Trevino. Survived by, Nicholas Casarez and Daniel Jackson, you’re loving sons. Siblings, Gilbert Trevino and Gloria Arreola with husband Augustin. Mike Arellano your love will treasure your memory. Amazing friends Stella Yanez and Janie Zambrano loved you. Thank you, to our family that helped us in this time of grief. Special thanks to the Christopher House Austin.
