“ *Scotty has been a great friend since Travis days. He was constantly posting funny things on my Facebook or messaging me.. I’m devastated I missed his last call to me in Nov.. I remember at our 30th reunion, we all went to a bae the night before. When Lisa and I were fixin to leave, Scotty insisted on being our body guard and escort us to the car. Great memory for me. ❤️ Rest In Peace my friend. Hugs to the Bickley family!*
