

Shelby Jeanette Joy

November 18, 1965 - November 11, 2022

Shelby Joy departed this earth on November 11, 2022. She was a caring mother, grandmother, and aunt to many. She loved her family more than anything on this earth. She is survived by her two sons Dustin Joy and Jeremy Joy, Two granddaughters Tegan Joy and Valerie Joy, two brothers Keith Wilson and Wayne Wilson, her cousin Thomas Roberts, sisters-in-law Robin Smith, Patricia Joy, and various nieces and nephews. Shelby was preceded in death by her husband Michael Joy, special friend Tony Cannon, mother Grace Beckhart, and sister Shelia Burkhart.

Throughout Shelby's life she was a caring individual who was always there when her family needed her. She worked for Shasta beverage for 15 years until her health started to deteriorate. Even through the hardships that life would throw at her she would rise above the worst. Always keeping a positive attitude and ignoring the pain that life was putting her through. Whenever asked why she put up with everything to survive, Shelby's answer would be, "for my children and grandchildren." Even though Shelby did not have many material things in her life, one thing she was abundant in was love. Every day for hours she would be on the phone talking to a loved one, having conversations about everything under the sun. With her new profound absence, the house she lived in is now more silent. No more I Like My Chicken Fried ring tone echoing through the house to alert everyone around that her cousin was calling. We will miss the sound of her laughter; the I love

you's and her being with her grandchildren. Life was hard and not meaningless for her by the end. Above all Shelby led with love just as it says in "John 15 Verses 12 This is my commandment, That ye love one another as I have loved you." We will all miss you.
