“ My name is Jessica Rianda and I went to PCCA with Shelby.. I'm so sorry. We weren't the best of friends but I always adored her smile and eyes. Hadn't seen or spoke or even thought of her since 4th grade until recently. Her name would pop into my head randomly and I found myself wondering about her and remembering her. Today I decided to type in her name and here I am. I'm so sorry for your loss. Such a sweet girl. I wish all her loved ones the best-

“ Shelby...from your aunt Christina...she loves you and knows you have always been so smart and hilarious. Her favorite thing is "arts and craps"when you were little. 💕

“ Always remember when Ashli didn't have her favorite blanket at daycare. Shelby was trying to make her feel better and told her "it's OK, once you get your smell on this blanket you'll be fine". She was so serious and it was soo cute.

“ Music will never be the same without you my favorite cousin. If it wasn't for you, I wouldn't love half of the awesome things I do today. We have so many inside jokes, but just remember "and the world is a pen!" I love you always!

“ I’m gonna miss Shelby so much. We had such a blast working together, we would always quote a Taking Back Sunday song with each other every time we saw each other. We always laughed and had a good time when we saw each other. She really was one to light up the room with her personality and her laugh. I’m forever going to keep her memory in my thoughts.

Our favorite line “your a touch overrated, your a lush, and I hate it”

Fly high, sweet friend. ❤️
