October 28, 2022 - February 2, 2023

We are devastated to announce the unexpected passing of Solana Elizabeth Haynes. Solana went to our father peacefully on 02/02/2023 at 4:44pm in Dell Childrens Medical Center. Solana was surrounded by loving family: Parents, Jada Jones & Zaderak Haynes. Maternal grandparents, Bene Ethridge and Randy Jones. Paternal Grandmother, Risesviola Haynes. Aunties Simone White, Breontra Haynes, Kyra Hose. Great Aunts April Gilliam and Ashley Ethridge. Uncles, Brandon Jr, Shamar Hose and lastly her two cousins Sarah and Zamarion.

Solana Elizabeth Haynes was born on October 28 2022 to her parents Jada Jones and, Zaderak Haynes in Austin Texas. Solana was born at 7 months in Ascension seton hospital and also was a nicu baby. The nurses took great care of her and always talked about how much they adored her and how cute and cuddly she was. Solana was released from the nicu on December 13th 2022. Although, her life was short lived she left us with precious and valuable memories. She had very curious eyes. Always looking around quietly while holding her own passy. She was a very sweet, quiet and curious baby. One of those precious memories includes her making sucking noises and always smiling in her sleep most of the time.

We ask for prayers and strength as our family goes through this difficult time.

There will be a private memorial held at
13009 Dessau Rd M, Austin, TX 78754 at The Funeral home.

"Carried for 7 months
Here for a moment
Loved for a eternity."
