“ I knew Ms. Hyde from when was serving as our wonderful librarian at Bernice Hart Elementary. She was so kind-hearted. She was without a doubt completely dedicated to the students and teachers. She touched so many lives by bringing in authors and story-tellers so that kids could meet and interact with "real, live" authors. Better yet, many of these authors were bilingual and/or persons of color-our kids were able to see themselves in these authors and storytellers! What a gift to them!

Ms. Hyde led book clubs with the kids and she was always getting books in kids' hands. She met with classes regularly to share stories and let students have choice in their literature. She always gave the kids extra library time at the end of the year so that teachers could have extra time to finish up the end-of-the-year paperwork.

We were so lucky to have her as our librarian!!! She was a change-maker and impacted so many lives with her love and sharing of literacy.

I've missed our after school talks since she moved on from Hart, but will never forget her bright smile, kind spirit, and strong heart. We love you, Ms. Hyde.
