“ So sad to hear of Suzanne’s passing. We have great memories of growing up in Smithville & going to First Baptist with the Goerner family! Suzanne was especially sweet & caring/always interested in catching up whenever she was able to attend SHS reunions. Will pray for your sweet family.

“ I remember when my mom, me, and Suzanne went to Jefferson, TX. We were walking around behind a hotel and there was a geezabo where there was music going. Suzanne turns to my mom and myself and says" this is not real Country music. I can't believe they think this is good music. It's horrible!" I had to walk away minute and start laughing. It was very memorable! Thank you, Suzanne for being a wonderful aunt to me!

“ I am so sorry for your loss.
Suzanne was a dear friend for many years and she will be greatly missed. I've got so many fond memories of her thru the many years that we were friends. From dances in the high school years all the way through the most recent visits from her and Karen to my house. I loved her smile and her kind ways. She will always have a place in my heart and be greatly missed.
Rest in peace my friend

“ I didn't personally meet Suzanne, however I feel like I have met her through her daughter Tanya. Tanya and I would often speak about her mother. My memories will be of the gatherings that Tanya and her family would have with her, Tanya planning of what to gather for the meals and how she would make sure there was always something available that Suzanne enjoyed eating and snacking on, up until the day she transitioned. I often marveled at Tanya of how she was handling the situation. Tanya you have been an awesome daughter and caregiver for your mother, I see you and most importantly God sees you too. Continued blessings and prayers for you and your family. Vanessa

“ *Suzanne was older than me, and in college in my earliest memories. But I always loved to listen to her talk and I liked when she visited with the family. I’m going to miss her.*
