January 21, 1947 - March 7, 2011

Sylvia Trevino Cullender, age 64, of Dripping Springs, Texas, passed away peacefully in her sleep on Monday, March 7, 2011. She was born on January 21, 1947, in Alice, Texas, to Gus and Minnie Trevino.

Sylvia met the love of her life, Mike Cullender, in 1991, and they were married on May 5, 1995, in Maui, Hawaii. She graduated from Mount Saint Mary's High School in Oklahoma City, and enjoyed a 33-year career with AT&T. She and Mike retired in 1999, and they built their dream home in the Hill Country in 2001. They traveled extensively, to Switzerland, Spain, Canada, the Caribbean, and throughout the U.S., and especially enjoyed visiting their dear friends near Seattle. Sylvia and Mike have been blessed with many wonderful friends, especially in their neighborhood and in the Lakeway Country Club golf community.

Sylvia will be remembered for her grace, generosity, friendliness, morality, sense of humor, and beautiful smile. Her favorite roles in life were as the love of Mike's life, mentor and steadfast supporter of her nephew Jason, and doting Aunt Sylvia to her beautiful grand-nieces, Blythe and Lotus.

Sylvia is survived by her loving husband Mike, Mike's son Jay Cullender and

his wife Doka, of Austin, her brother Gus Trevino of Garland, her sister Nelda Martinez and family of Alice, her nephew Jason and his daughters Blythe and Lotus of Garland, and her niece Bianca Trevino and her son Darian of Edmonton, Alberta, Canada.

“ *Syl was a gentle sweet soul. She was very much a loving person and the world is a lesser place without her in it. She will not soon be forgotten by her many friends.*

“ *We will always remember Sylvia's graciousness and love of nature. I believe Spring was her favorite time of year and her wildflower garden was so beautiful. Our hearts go out to her husband Mike and to her family. She will be missed, but thought of frequently with love and with gratitude for having known such a special person.*
