

Tanya McLamb Hunt

April 19, 1970 - February 14, 2023

Tanya McLamb Hunt, 52, of Leander Texas passed away, on February 14th, 2023.

Tanya was born to parents Buddy and Gail McLamb, on April 19th, 1970 in Gastonia North Carolina.

Tanya graduated from Hunter Huss High School in 1988 and studied at North Carolina State University. She later studied at Gaston Memorial Hospital and received a Radiology degree.

She is survived by her children, Madison Hunt and Jared Hunt of Leander Texas, and her sister, Rhonda McLamb of Mount Holly North Carolina. Tanya's life would seem too short to many, but those who were Blessed enough to have her touch our lives, understand that her existence and the love she left in our hearts exceed any amount of time that she stayed here.

Tanya loved to travel and see the world, spend time eating new food, and experiencing new cultures with her family who she loved dearly. She loved excelling, whether in school, work, or her family life, she always tried to make the next day better than the last. Most importantly, Tanya was an extraordinary mother. Her children were her everything. There was never a day that went by that she didn't commend her children.

The simplest pleasures in life brought great joy to Tanya. She loved a simple movie night with her children and then being interrupted by the continuous urge to talk to each other.

Celebration of life will be decided at a later date and Tanya will be brought home to Gastonia North Carolina where she will be laid to rest next to her loving parents.
