“ Terry was my best friend, the best husband I could have ever hoped for. He was caring and kind. Terry was also generous with his time and resources. He did have a hot temper and a stubborn streak a mile long. He chose to live through the pain of his cancer with dignity, for as long as he could. In the end, Terry had to be given some pain medication. He slipped away at 6:00 am on Monday July 17, 2023. We were all with him most of the night, playing euchre, listening to music, talking to Terry, praying, and given comfort to each other. RIP my sweet husband. I can't wait to see you on the other side of GLORY! Your loving wife Cynthia

Terry was a great neighbor in the days when Tina lived across the street and I enjoyed sharing some venison prime rib with the Schefke Family. He had many skills and was always willing to help out the neighbors. He will be missed here but we will see him again someday in heaven.
