“ *Thelma and I went to school together. I had called her to ask if she would come to our big class reunion. She could not, but sent a picture--what a beauty. I enjoyed the entertaining conversation and shared some of it with our classmates. I know at least one of them called her too and enjoyed her gift of gab as much as I did. My last memory of seeing her in person was at the Free Fair in Topeka. She and her mother watched my youngest while I took my 2-year old on the Merry-Go-Round. My sympathy to all of her family. I know you will miss her. I loved you, Thelma. Mary Jane Coons Burns*
