“ *Dan and Janelle,  
I met Tee in 1976, and we became fast friends. After years of not talking to her, we reconnected last year, and it was like we picked up right where we left off. Friendships like that are the most precious of friendships.*

*I'm so sad to learn of her passing. She'll always, always be so special to me.*

*Rest peacefully. Ms. Tee; I'll love and miss you always.*

“ Tee was always nice to work with and always quick witted. She made me smile because she was always grinning at something. She's in Heaven right now watching over us!!!

“ Tee was so nice to me before I retired. I just found out about your loss. I loved her because she was so nice to me at work. We had fun working together. May God heal your hearts. She will always be with you. Love Annie Stuard.
