“ Haven't seen Tommy in several years due to geographic locations. He lived in TX and I'm in WV. It's hard to realize he's really gone not being there or witnessing a wake. Grandma and dad along with Aunt Mamie helped raise Tommy after his mom passed when he was 11. He always felt more like a brother than cousin. Aunt Mamie was I guess you could say his best friend as an adult. I really think the world of his wife, Linda. She was his world, as he was hers, when they renewed their freindship. We had many enjoyable phone calls while we were worlds apart in the last 20 years. Will miss talking to him hearing about old and new dogs, visiting different homes they had bought via computer satellite and hearing about Linda trading cars when she went in for an oil change. Miss you Tommy and love you

“ Tom was such a happy, fun loving, and caring man. He loved spending time with Anna, Porter, Julia and all our pups! I remember him laughing and delighted to see Julia singing and dancing around the house when she was little. He was a wonderful grandpa!
