“ *I remember many long nights working together at my flower 🌸 shop, Lenise's Floral Creations to get our deadline done. Whether it was Valentines, Christmas or a 🎩 wedding, I could always count on him to come thru with pride and beautiful work. He loved creating beautiful and unique arrangements and bouquets. I had an excellent staff at the shop and was so grateful to have Tim as part of it. He was always there to come through for me in a flower 🌸 crisis. He was very dependable. I loved him very much and he taught me a lot of things about the floral industry and some about life in general. He will be missed. May he Rest In Peace with my son, Will in heaven. My condolences to his loving family. Lenise Schlabach Duffek.*

He was a jokester, just like Charles. He had the hospice nurse cracking up.
