March 26, 1961 – December 18, 2021

Timothy Mark Willows, 60, of Georgetown, Texas, passed away unexpectedly on Dec. 18, 2021, from injuries he sustained in a fall. Tim was a native of Dallas and graduated from Bryan Adams High School, where he was an accomplished tennis player, winning numerous championships.

Tim attended the University of North Texas and later worked in the financial services industry, most recently at Stifel Financial Corp. and B.C. Ziegler and Company.

In 2016, he moved to Georgetown where he quickly formed friendships and found his niche in the Sun City tennis community. Tim poured himself into the tennis groups, playing at a high level of senior competition and organizing semi-weekly matches, while always welcoming newcomers and providing encouragement.

Above all, Tim loved his family and never missed a gathering. He was a consistent fan and in attendance for many sporting events and other activities of his nephews and cousins. Tim will be dearly missed and always remembered for his caring heart and his enthusiastic personality. As a registered organ donor, Tim's generous spirit continues to bless others even after his passing.

He is preceded in death by his parents, James and JoAnn Willows, uncle Dub (Shena) Hatchett, aunt Jerry (Burl) Davidson, and cousins Pinckney Hatchett,

“ I met Tim playing on the Sunsations mixed doubles tennis team a few years ago in Georgetown. He was always so upbeat and fun to be around. Loved his sense of humor. Everyone knows what a really good tennis player he was and I remember how tough it was for him when he had an injury. RIP Tim you will be sorely missed.

“ Dear family members of Tim,  
Please know I am there in spirit with you all, even though I'm physically in Minneapolis now. I met Tim in a singles group at our church when we lived in Plano, TX. I was in Texas from 2005 - 2015 and those were some of the best years of my life, mainly because of the dear friends I met, who soon became "chosen family" to me. Tim was definitely a huge part of my chosen family and a big part of my happiness. Even though he was known for his humor and always joking around, I got to know him at a much deeper level. There were SO many weekend nights where he and Dan and I would be up late sharing our deepest wounds, our childhood memories, and biggest fears. Tim was always able to listen deeply and not judge. He was simply present and accepting of me. I learned many valuable lessons about looking for the good in people, no matter what. Tim was also like an uncle to my two daughters, Loree and Aimee. I am so grateful for all the pictures I have to look back on. Always big smiles on everyone's faces when we were with Tim. Jim, Rick, Bryan, and Ben - since you're the family members I had the opportunity to get to know on some level, I want to tell you how sorry I am and my heart goes out to all of you ~ yet I am glad to know Tim left this physical world doing the things he loved, with the people he loved. He left behind good happy memories for all.

*Sending you much love during this time.*

“ *Tim was a very dear friend of mine. We met in a Divorce Recovery group at what was then Fellowship Bible Church North in Plano. We hit it off mostly because Tim was such an upbeat and encouraging soul. He was a huge help to me during a time in my life when I was very low. Very spiritual, but a funny goofball too, and a heck of a Tennis player. I never even came close to beating him. I kind of lost touch with him when he moved to Roundrock, but he will be sorely missed. Thank you so much for the posts, and I am so happy that he was able to bless so many people in life, and even after, through his organ donations.....Steven Klitgaard*
