“ As many of you know, mom always called me by the name Dale, first. Then, everyone would yell, Peter. Thats Peter! Mom would put that beautiful smile on her face and with a sweet hand gesture wave, and say oh, Peda. So at first, as I thought about that, how it hurt thinking I wouldn't get to experience that anymore. Then I realized, What a beautiful memory of mom that is to have just seen it take place from my heart. With tears in my eyes mom has brought a smile to my face and heart. Even though she calls me Dale first (laugh) I will cherish that smile, laugh, and hand gesture forever. I love you mom. I will miss you dearly. Rest at peace.
