“ *Viola,  
Oh wow, where has the time gone?! I know you spent a life worth living by solely being in the presence of family. Your husband, kids and grandkids were your whole purpose and you let it be known. Thank you for the fond memories I get to carry with me from Yahtzee, unicorn obsessions to running errands with the windows down and the wind in my hair. Thank you for allowing me to be a part of your family and literally treating me like one of your own. I know you're cracking jokes and watching your family from heaven. With all the love & respect, fly high! ☐ ☐*
