“ I lived in El Paso and Wanda and George were my best friends there. I moved to Roswell NM and they would visit. One summer Karen, their daughter spent a couple of weeks with us. I'm sorry to hear of Karen's passing. God bless.

“ Wanda treated me more like a daughter than a niece..I will always remember learning chicken foot at her dining table and she'd say Thank You Jesus when she got rid of that 50 pts. ! She taught me that laughter is one of God s gifts to us through a dark time in my life (Surgeries Post Breast Cancer )and George & her would send me funny notes ..I will fondly remember her as Nurse Goodbody. George was Dr.I.M.Cuttin... Cutting...Till we Meet again sweet lady....

“ I will miss Aunt Wanda dearly . There will never be another loving person as she was. I will never forget her laugh ,her outlook on life and how strong her beliefs and loyalty to our and her savior Jesus Christ . Her faith was stronger than I could ever believe to be. She would loving sing praised to God and her singing of Hymns was the highlight of her Christianity and when she sang them it was so beautiful. I will miss you Aunt Wanda but I know that you are with our lord ,and among the ones you love there . I can't wait for the day to see all of you there so God Bless You Sweet Lady until I see you again ❤️❤️❤️
