

Warren Gary McCord

September 23, 1934 - October 31, 2023

Born in Kansas City, Missouri, Warren “Gary” McCord gently passed away on October 31, 2023 at the age of 89. Gary was one of the smartest, funniest, friendliest, and most generous men ever. He radiated an amazingly positive attitude and had a beautiful ability to connect with everyone he met.

Among his favorite things in life, aside from his family, were his newspapers, including the Wall Street Journal and Austin American Statesman, Fox News, anything chocolate (especially ice cream), Golden Retrievers, and college football. In particular, he loved his alma mater’s Missouri Tigers.

After a long-distance whirlwind romance, he wed Nancy in February of 1961. They were married for 58 years before she passed away on October 30, 2019.

Their early years were spent in Kansas City, Missouri before moving the entire family (including a guinea pig and a large black Labrador Retriever) to Hawaii in 1978 for Gary's job as Director of Sales, Asia Pacific for a new medical device company.

They lived in Kailua, Hawaii for 40 years before moving to Round Rock, TX in 2018. Nancy and Gary had five children; Betsy (Pyner), Suzie (Gole), Gary Jr., Jennifer, and Scott Michael, as well as six grandchildren; Laurie and Gary Pyner, Joshua Gole, Sabrina and Matthew McCord, and Jack McCord.

He will be laid to rest next to Nancy at Our Lady of the Rosary Cemetery & Prayer Gardens in Georgetown, TX in a private family ceremony.

Gary left an amazing legacy for his children and grandchildren and was both the dad and the grandfather that every man should aspire to be.
